TIMOTHY CHRISTIAN SCHOOL ASSOCIATION OF TORONTO
BUILDING: 28a Elmhurst Dr. Rexdale, Ont.

OCT 28 1963

Rexdale, Oct. 25, 1963

To the Ontario Committee
on Taxation,
88 University Ave. Toronto 1

Gentlemen,

As indicated in your "Information Memorandum", dated June 1963, written submissions are invited concerning certain aspects of Provincial or Local taxes or revenues.

It is also stated in the same Memorandum that these submissions are to be sent in before Oct. 15, 1963. However, on phoning your office last week, we were informed that we could still send in our submission.

Wherefore we ask your attention for the following:

The above mentioned Association operates a private school, instituted in accordance with the religious belief of the parents whose children attend the school. Grades range from one through eight, and all expenses are paid by members of the Association, because the school does not receive any support from the Government. What we would like the Committee to look into is the fact that parents who are home-owners, pay school-taxes for the Public school, although they do not make use of it.

These parents are quite concerned about this, and often wonder if this situation could be changed. May we kindly ask you to take sincere notice of this submission, and, if any further particulars are required, please contact the writer.

On behalf of the Association,

Sincerely Yours

J. Van Noort
